Delivered weekly via email and Dropbox on Mondays (U.S. Pacific Time). Delivered in multiple formats.

- ♪ 6x 18-minute segments + 6 minutes of local inventory per hour.
- ♪ For Net and other stations that don't need local inventory time, a 7th optional 12-minute "Break Fill" segment with exclusive content is provided. This allows easier segment scheduling while maintaining a full 2-hour/120-minute runtime.
- ♪ For stations that don't need segment scheduling, a solid 2-hour/120-minute version of the show is provided as a single file (all 7 segments in one continuous playing file).
- ♪ Playlist (for reporting and promotion)
